

"TELL MY FRIENDS TO BE BRAVE AND FEARLESS. AND LOYAL TO THE GREAT COMMON PEOPLE."

## LEVEL GREEN

Bro. Todd failing to fill his appointment on Saturday, D. R. Gentry took his place.

Sunday School flourishes here until public schools begin and then they go to sleep. One principal cause of the short life of so many S. S., is lack of interest in them by heads of families, and lack of interest is a result of lack of knowledge of the Bible. While it is a fact that nearly every family in Rockcastle county own one or more Bibles, yet it is a lamentable fact that they "scarcely" ever look on the inside of the book, tho' church members and they engage in sectarian arguments and some of them even claim sanctification.

Now, I suggest to all those that can read:—and nearly all can— "carefully read one chapter every day for a month, and then read it over next month and then tell me if you haven't learnt more Scripture than you ever knew. I have been wonderfully amused to sit and listen to good old church members argy their pints and "coat skripter" that can be no where found except in their minds,—for instance: "Every tub stands on its own bottom," "God tempers the wind to the shorn lamb," "Eat drink and be merry for tomorrow you may die," "Woe unto you lawyers and doctors, hypocrites," Rightly dividing the words of truth giving each his portion in due season," Cleanliness is next to Godliness," "Charity begins at home, &c. &c. Now the cause of so many people falling into these errors, is they depend upon uninformed leaders who have learned traditionally, this mode of instruction, accounts too, for so many good, but illy guided men votin of the republican ticket, but then I have nothing personally against the repubs, yet I am sorry to see so many good men misguided, tho' if a sufficient number of them will vote for me in November (and they will) to overcome the republican majority in the county, we'll not talk pollytix, but religion, education, good roads &c. &c.

My neighbor, and a good nabor too, foolishly over cropped himself this spring (June 1st) by putting 1 1/2 acre "second year land" in corn. He forgot to break his ground but laid it off and planted, and while the corn was coming up the weeds multiplied and grew to the tune of an Arithmetical progression; so that when John, whose surname is Dick, found his corn patch it was lost and all kinds of beasts, birds, four-footed creatures and creepin and dangerous things or earth, had taken up their abode therein and they disputed John's right of possession or even to enter. So it came to pass that he called in his nabors armed with cow bells, trumpets and drum, hoes, pitchfork and scythes, and with colors (green) flying and the music at high Tenor, such as would have nerved the muscle and braved the heart of a paltroun or baboon, they marched to THE FIELD, John leading, and cautiously looked over the fence and—now my dear readers you may guess at the rest for the slaughter that took place then and there is too horrible to relate with pen on paper, and being a modest and truthful man I never like to become mixed up in my nabor's business.

Now, Leather Head, I want you to attend the "Good Roads" convention with me and we will learn a good thing or two and come back and teach it or them to the pupil. I would say more to you L. H., but efi I too spell the words long you can't read it and av all things i da aborinate, bad

spellin iz ranks first. You think you can out spel me, Bil Davis or Mat Ballard; cant near cut that. Now uncle Dick, if you will put the right word properly spelled in the blank space below, I'll confess that you are a better speler nur Bil Davis or Ballard: "I want you to get me two good dogs and a shot gun too;" Here I have written three ———. Buck Varnon, P. S. Jerusha, Betsy sends you her best respects, asks for an acquaintance and friendship, and that you put in a leetle ov your spare time lectioneering for me. Now, by the way, Betsy iz a republican too, but then, she dont want me beat by Bil Davis or Mat Ballard, nor I don't blame her.

## A GOOD COUGH MEDICINE.

It speaks well for Chamberlain's Cough Remedy when druggists use it in their own families in preference to any other. "I have sold Chamberlain's Cough Remedy for the past five years with complete satisfaction to myself and customers," says Druggist J. Goldsmith, Van Etten, N. Y. "I have always used it in my own family for ordinary coughs and colds and for the cough following la grippe, and find it very efficacious." For sale by Theo Wesley Druggist.

A severe sprain will usually disable the injured person for three or four weeks. Many cures have occurred however, in which a cure has been effected in less than one week by applying Chamberlain's Pain Balm. For sale by Theo Wesley Druggist.

## BRODHEAD

Bro. A. J. Pike filled his appointment with Gilead church in Madison county, last Saturday and Sunday, returning home Monday evening.

Messrs Dr. Percy Benton, J. W. Tate and our wide a wake Marshal were in a private consultation the other day, and when asked if the conversation was secret, they said, "Oh! no we were just talking about Boreing an oil well." They say, they are going to farm a stock Co. and bore for oil, so we will report the result later.

Messrs. A. N. Bentley, W. L. and Lee Griffin, all of Livingston, were in our town Wednesday. The people from all points of the county, come to our town to do their trading, this speaks well for our town and our merchants. It simply shows that our merchants keep a better stock of goods at a smaller price than the public can get at any other town or store in the county.

Messrs. Jonas McKenzie, Wm. Poynter, D. N. Williams, William Cox, Neal Parrett, David Purdom, James Woods, F. L. Thompson, and ex-Judge P. D. Collyer and Judge Williams, all of Mt. Vernon, took dinner at the Francisco hotel Tuesday. And as we watched Mr. Thompson finish up, we asked ourselves the question; has the hotel made anything out of this transaction, and the only way to know, is to ask Mrs. Francisco.

The anticipated change in the county road near Mr. Robert Woodall's, that has been talked of so long, was made last Tuesday. Our county judge, with the county attorney, and jury of Mt. Vernon citizens, came down to condemn and assess the value of the entry that had been made some time ago, but when the judge and attorneys and Mr. Woodall, all got together and talked matters over, they come to an agreement and adjusted all points satisfactorily to all parties. Mr. Woodall acted manly, and agreed with the court to have a

different route surveyed and condemned, and agreed to take so much for same, and everything went off satisfactorily to all parties concerned. The new route runs through Mr. T. S. Frith's land also, and he, like Mr. Woodall, acted very gentlemanly and agreed with the judge, on the amount of damage. So we will soon have our new road, out of the creek.

The heavy rains have driven most of the farmers in this part from their corn fields, and they have taken refuge in the bushes.

Mr. James Vanwinkle and Miss Bettie Croucher were united in the bonds of matrimony, near here last Wednesday, Rev. J. W. Lambert officiating.

There is nothing short about Dr. Lewis as one of the shrewdest farmers in this section, from the way he has made a start on the old Stores farm, near here.

Bunk Mobley has moved from near Snider to Climax. We disliked very much to part with Bunk and give him up as a neighbor, but the best of friends have to part.

The boys in this part are doing very well this rainy weather, swopping knives to pigs, pigs to pistols and pistols to dogs, and then hanging the dogs. All report to be making money at the business.

## UNNECESSARY LOSS OF TIME.

Mr. W. S. Whedon, Cashier of the First National Bank of Winter set, Iowa, in a recent letter gives some experience with a carpenter in his employ, that will be of value to other mechanics. He says: "I had a carpenter working for me who was obliged to stop work for several days on account of being troubled with diarrhoea. I mentioned to him that I had been similarly troubled and that Chamberlain's Colic, Cholera and Diarrhoea Remedy had cured me. He bought a bottle of it from the druggist here and informed me that one dose cured him, and he is again at his work." For sale by Theo Wesley Druggist.

### ANNOUNCEMENTS

We are authorized to announce  
Chesley Payne,  
as a candidate for Magistrate in the Second  
district, subject to the action of the Repub-  
lican party.

The following is what a repu-  
blican and a close friend of Com-  
missioner Yerkes, had to say about  
him being the next candidate for  
President:

"I don't think there is any  
doubt but that when the Kentucky  
delegation goes to the next Repub-  
lican National convention they  
will be hurrying for John W.  
Yerkes for President," said a Ken-  
tuckian and an old friend of Yer-  
kes to the Louisville Times cor-  
respondent Saturday morning when  
the probability of the latter being  
a candidate for the nomination for  
President was mentioned. "The  
Revenue Commissioner is one of  
the most popular Republicans in  
the South and is recognized as a  
strong leader. At the convention  
five years ago when it was decided  
that the vote of the South should  
be given to McKinley, Yerkes was  
selected to make the seconding  
speech on behalf of the Republicans  
of the South. Previous to that  
time, and ever since, he has been  
very close to McKinley and the  
Administration and is often con-  
sulted about affairs of the South.  
When the office of Commissioner  
of Internal Revenue became vacant  
the President did not have to look  
twice to find the man he wanted.  
Now Yerkes is stronger than ever  
before, not only in his own State,  
but throughout the South, where  
his business and social communica-  
tions are constant.

"I don't say that Mr. Yerkes is  
an — candidate for the presi-  
dency, but he is our man in case  
the South should have a candidate.  
There is no reason why we should  
not have a President from below  
the Ohio river, and if they give us  
a chance we will furnish a good  
one."

Yerkes will be President, when  
Emperor William appoints him.

LOUISVILLE'S business men, who  
made a visit to a few of the Blue-  
grass towns Tuesday and Wednes-  
day, were given cordial recep-  
tions at each and every town they vis-  
ited. While the stay, at each place,  
was rather short, yet, the citizens  
of the various towns visited, left  
nothing undone, but did every-  
thing possible, to show the appreci-  
ation of the visit of their highly  
honored guests.

Gov. ALLEN, of Porto Rico, has  
made a report to the State Depart-  
ment that a special session of the  
Territorial Legislature, will con-  
vene July 4, and would declare free  
trade between the United States  
and Porto Rico. "What will the  
trusts have to say to this?" as they  
are the ones, who will decide how  
it shall be.

TENNESSEE will have a triple  
hanging July 18th, when Babe  
Battise, Duser Thompson and Abe  
Petway, all colored, will be called  
upon to pay the penalty, for murder.  
At this rate, Tennessee, will  
soon be rid of vice or will have the  
necks, of all its law violators, broken  
one.

"Boss" Sapp has, it seems, about  
played his part on the Republican  
political stage in Kentucky, as the  
latest move is to have him step  
down and out. If the resignation  
of Mr. Sapp, is requested; Mr. J. T.  
Craft, of Louisville, will be the  
lucky man.

### RESOLUTIONS.

Mt. VERNON, Ky., June 8th, 1901.  
In memory of Brother R. D.  
Cook, F. & A. M.

WHEREAS.—Almighty God, our  
Great Grand Master, deemed it  
prudent in His wisdom to call our  
brother, R. D. Cook, from his labors  
on earth to the celestial Lodge  
above, on May 22nd., 1901.

Therefore, Be it resolved, that  
while we deplore the death of our  
beloved brother, we grieve at the  
loss we have sustained by his de-  
parture from our midst, we submit  
with reverence to the edict that has  
called him hence and feel assured  
that our loss is his eternal gain.

Resolved, That we mingle our  
grief with that of his bereaved  
family and relatives, and heartily  
sympathize with them in the appli-  
cation that has deprived them of a  
father and friend, and bid them  
look to Him, who can heal all sor-  
row, for that consolation no earthly  
power can give.

Resolved, That these resolutions  
be engrossed on the Minutes of  
Ashland Lodge, No. 640, F. & A.  
M., a copy be sent to his family,  
and a copy be furnished to the  
Mount Vernon Signal and the  
Kentucky Colonel for publication.

HIS LIFE SAVED  
By CHAMBERLAIN'S COLIC, CHOL-  
ERA AND DIARRHOEA REMEDY.  
"I am sure that Chamberlain's  
Colic, Cholera and Diarrhoea Rem-  
edy at one time saved my life,"  
says A. E. Lafayette, of Gregory  
Landing Clark county, Missouri.  
"I was in such bad shape that the  
doctors said I could not live.  
When I was at the lowest ebb, one  
of my neighbors brought in a bottle  
of Chamberlain's Colic, Cholera  
and Diarrhoea Remedy and I took  
it and got instant relief. I soon  
got up and around. That was nine  
years ago and I am still in good  
health. Since then that medicine  
has always been in my house and  
always will be. It is the best on

HEARTBURN.  
When the quantity of food taken  
is too large or the quality too rich,  
heartburn is likely to follow, and  
especially so if the digestion has  
been weakened by constipation.  
Eat slowly and not too freely of  
easily digested food. Masticate the  
food thoroughly. Let six hours  
elaps between meals and when you  
feel a fullness and weight in the  
region of the stomach after eating,  
indicating that you have eaten too  
much, take one of Chamberlain's  
Stomach and Liver Tablets and the  
heartburn may be avoided. For  
sale by Theo Wesley Druggist.

Will Owens, colored, son of Harvey Owens, was the one selected to deliver a sermon at the closing exercises, of the Bible School at Louisville, which is supported by the C. W. B. M. for the education of colored boys. His text was "Sin is death."

READY FOR WORK.—W. B. Whitehead has his planing mill ready for operation, and will commence work, as soon as crop time is over. This is something Mt. Squire John Elder was in Monday and told us that he had about completed his arrangements, to leave this county and go to Lincoln, this fall. That is what's the matter with our county now, too many of our best men are leaving and going to other counties, and such will continue to be the case, if we stay in the same old rut, where we have been for years. Bad roads are the principal cause.

### RESOLUTIONS.

Mr. VERNON, KY., June 8th., 1901.

In memory of Bro. W. G. Mullins, F. & A. M.

WHEREAS.—The Great Master of the Universe has called from labor to that rest which remaineth for the children of God, our beloved brother W. G. Mullins, who died May 12, 1901.

Therefore, be it resolved; That in the death of brother Mullins the craft has lost a true and faithful brother, the family a devoted and loving father, husband and friend, the Christian church one of its best supporters.

Resolved, That to his stricken family and relatives we extend our sincere sympathy, and pray that God may be husband to the widow and father to the orphans.

Resolved, That a copy of these resolutions be spread upon our minute book; one sent to the bereaved family and a copy be sent to The Mount Vernon Signal and also to the Kentucky Colonel for publication.

Ashland Lodge, No. 640, F. & A. M., June 8th., 1901.

The following is an invitation which the editor has just received from Mr. Geo. W. Albrecht, editor Middlesborough News, and Secretary of the Middlesborough Fair Association, to attend the fair Aug. 30-31 and the picnic July 4th:

you are cordially invited to be the guest of the Association—and YOU includes the hole family.

The moment you step from the train the freedom of the city is yours, without money and without price. We will meet you at the train and return you there safe and sound, drunk or sober as you may desire. And while here you will be at liberty, to take your enjoyment in anyway you choose—and we will foot the bill.

Don't bring any money, it will only be in the way and a temptation to us to try and get it. All you will be expected to do is to bring your appetite and capacity.

Middlesborough furnishes in lavish abundans all the forms of enjoyment, from the highest known to nature, to the vilest known to man. Just what portion, or portions, you take must rest entirely with you.

Cum; the door is wide open. Fraternally yours,
